

PROGRESS IN (SUBJECT), YEARS 12-13

Grade	AO1: Demonstrate knowledge and understanding of the language	AO2: Demonstrate knowledge and understanding of literature	AO3: Critically analyse, evaluate and respond to literature
A*	Exceptional knowledge and understanding of the language, including translation and comprehension, with a consistently high degree of accuracy	Exceptional knowledge and understanding of the material studied including, where appropriate, the social, cultural and historic context	Excellent responses, with the ability to make a wide range of relevant points, which are extremely well-supported by examples selected with precision from the material studied, leading to cogent conclusions
A	Very detailed knowledge and understanding of the language, including translation and comprehension, with a high degree of accuracy	Very detailed knowledge and a thorough understanding of the material studied including, where appropriate, the social, cultural and historic context	Strong responses, with the ability to make a wide range of relevant points, which are very well-supported by examples selected with precision from the material studied, leading to cogent conclusions
B	Detailed knowledge and understanding of the language, including translation and comprehension, with a good degree of accuracy	Detailed knowledge and a sound understanding of the material studied including, where appropriate, the social, cultural and historic context	Good response to the question containing responses, with the ability to make a range of relevant points, which are well-supported by examples from the material studied, leading to appropriate conclusions
C	Some knowledge and understanding of the language, including translation and comprehension, with good accuracy	Some knowledge and understanding of the material studied including, where appropriate, the social, cultural and historic context	Reasonable responses, with the ability to make some relevant points, which are generally supported by examples from the material studied, leading to tenable conclusions
D	Limited knowledge and understanding of the language, including translation and comprehension, with a fair degree of accuracy	Limited knowledge and understanding of the material studied including, where appropriate, the social, cultural and historic context	Limited responses, with the ability to make some points, which may be narrow in scope, which are occasionally supported by examples from the material studied or are unsupported assertions, leading to a limited conclusion
E	Basic knowledge and understanding of the language, including translation and comprehension, with limited accuracy	very limited knowledge and understanding of the material studied including, where appropriate, the social, cultural and historic context	very limited knowledge and understanding of the material studied including, where appropriate, the social, cultural and historic context
