Introduction

This policy statement sets out the School's arrangements for managing the access of providers to pupils at the School for the purpose of giving them information about the providers' education or training offer. This complies with the School's legal obligations under Section 42B of the Education Act 1997.

Pupil Entitlement

All pupils in Years 8 -13 are entitled to:

- find out about technical education qualifications and apprenticeships opportunities, as part of a careers programme which provides information on the full range of education and training options available at each transition point
- hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships – through options events, assemblies and group discussions and taster events
- understand how to make applications for the full range of academic and technical courses

Management of provider access requests

A provider wishing to request access should contact:

Ms C Barratt [Careers Lead]

Telephone: 01775 765800

Email: CVBarratt@spaldinggrammar.lincs.sch.uk

Premises and facilities

The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The School will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.

Providers are welcome to supply a copy of their prospectus or other relevant course literature to be placed in the Careers Library, placed in the School Library. The Library is available to all students at lunch and break times.
