POST RESULTS SERVICE (REVIEWS OF RESULTS RoR SERVICE):

The services below will be available from results day for a limited time via the School Exam Office. Please be aware a **candidate's** permission and fee is required for these requests, and information about how to request these services will be included in Results packs. Fees for the Summer 2023 season are included in this document, and vary by exam board.

Service 1 (Clerical re-check)
This is a re-check of all clerical procedures leading to the issue of a result.

This service will include the following checks:
• that all parts of the script have been marked;
• the totalling of marks;
• the recording of marks;
• **if requested**, a copy of the re-checked script(s) for those components included in the Access to Scripts service.

The outcome of the re-check will be reported along with a statement of the total marks awarded for each unit, or component, included in the enquiry.

Service 2 (Review of marking)
This is a post-results review of the original marking to ensure that the agreed mark scheme has been applied correctly. The service is available for externally assessed components of both unitised and linear specifications. Marks/grades **may go up, down or remain the same**. The reviewed mark is the final mark that stands.

This service will include:
• the clerical re-checks detailed in Service 1;
• a review of marking as described above;
• **if requested**, a copy of the reviewed script(s) for those components included as part of the Access to Scripts service. (If the nature of the component is such that access to scripts cannot be arranged, such as externally assessed GCE and GCE A2 Modern Foreign Language Speaking tests, then a report/copy of the record sheet may be requested. Awarding bodies will advise centres of the mechanism by which reports may be requested.)

The deadline for completion is within 20 calendar days of the awarding body receiving the request.

Priority Service 2 (Review of marking)
This service is as Service 2. However, it is only available if a GCE A-level candidate's place in higher education is dependent on the outcome.

The deadline for completion is within 15 calendar days of the awarding body receiving the request.

Access to Scripts (ATS)

Awarding bodies will provide examination centres and their candidates with access to marked scripts for the following examinations:
• GCE (A Level)
• GCSE

Centres will be able to request:-

Priority copies of A-level scripts before deciding whether to lodge a review of marking.

If a GCE A-level candidate is thinking of having a Priority Service 2 review of marking, an application for a priority copy **must not** be requested. Centres should progress straight to a Priority Service 2 review of marking, given the limited amount of time available for this service.

Non-Priority copies of A-level scripts and GCSE scripts.

Once an awarding body has returned an original hard copy script to a centre or a private candidate, its security is compromised and it can no longer be subject to a review of marking.

- If you need post-results advice, some teaching staff will be available on Results Day.

- You will also be asked to complete details of your destination after Spalding Grammar (i.e. further education or employment if you are leaving).
